

## 128-Word Bio

Our speaker today is Kelly Galea, a strategic marketing and efficiency consultant, author, speaker and coach. Kelly helps creative entrepreneurs boost their bottom line with simple, proven strategies and systems.

Kelly's mission, whether working one-on-one with clients or leading programs, is to inspire, provide guidance and share techniques and tools to take a business to the next level. Her passion is showing business owners how to get clients, make money and save time so they can build profitable businesses, create success on their terms and live a lifestyle they love.

Kelly spent 20 years in Corporate America, consulting with Fortune 500 companies, providing project management, marketing, business analysis and technology integration services. An entrepreneur since 1999, Kelly is excited to share her expertise with you today.
